

Students feedback on curriculum

BOTANY:

T.Y.B.Sc Paper I Diversity of Cryptogams Genetics and plant breeding and Evolution

RE: Syllabus is bulky no to justice Genetics and plant breeding. Cryptogams should be separated. Test and assignments are regular and useful.

Paper IV Advanced plant physiology and plant biochemistry.

RE: Syllabus is adequate and good balance between theory and application. Good references are given.

T.Y.B.Sc Paper III Cell and Molecular biology / Anatomy and embryology.

RE: Syllabus is adequate, balance between practical and theory, helpful to satisfy curiosity. Test and assignments are regular and useful.

Paper V Plant ecology and phyto geography / Horticulture

RE: Syllabus is relevant to degree level, gives employment opportunity Test and assignments are regular and useful.

T.Y.B.Sc Paper-II Angiosperms taxonomy / Gymnosperms and paleobotany

Helpful to increase knowledge, and interesting

T.Y.B.Sc Paper-VI Ethnobotany

RE: Test and assignments are regular and useful.

Syllabus is good and relevant helps to improve CGPA

CHEMISTRY:

T.Y.B.Sc Paper-II Inorganic Chemistry

RE: Syllabus is useful for jobs in industry.provides better employment opportunity.

T.Y.B.Sc Paper-IV Analytical Chemistry

RE: Syllabus is useful for jobs in industry.it emphasis on the fundamentals Test and assignments are regular and useful.

T.Y.B.Sc Paper-I Physical Chemistry

RE: Syllabus is useful for jobs in industry.Syllabus covers modern advanced topics

T.Y.B.Sc Paper-III Organic Chemistry

RE: Syllabus is useful for jobs in industry helps to get exposed to relevant subjects. Test and assignments are regular and useful.

Textbooks and study material are available.

3) **Mr.S.S.Patole**

T.Y.B.Sc Paper-V Industrial Chemistry

RE: Syllabus is relevant at degree level and useful for jobs in industry Textbooks and study material are available. Test and assignments are regular and useful.

T.Y.B.Sc Paper-VI Environmental and polymer Chemistry

RE:emphasis on fundamentals and coverage of syllabus is good. Test and assignments are regular and useful.

PHYSICS

T.Y.B.Sc Paper-I Mathematical Physics /Electrodynamics

RE: Test and assignments are regular and useful.

Textbooks and study material are available. coverage of syllabus is good.

T.Y.B.Sc Paper-V Solid state physics /Material science

RE: Test and assignments are regular and useful.

Syllabus is suitable to course and need based Syllabus covers modern advanced topics

T.Y.B.Sc Phy-354, Phy-364

RE: Good references are given .Textbooks and study material are available Test and assignments are regular and useful.

T.Y.B.Sc Phy-356, Phy-366

RE: Syllabus covers modern advanced topics Test and assignments are regular and useful.

COMPTTER SCIENCE

T.Y.B.Sc CS-312, CS-321 Operating system

RE: Test and assignments are regular and useful.

Syllabus is useful for jobs in industry helps to get exposed to relevant subjects.Textbooks and study material are available

T.Y.B.Sc CS-313,CS-324

CEnad CS Prog. Using PHP

RE: Syllabus is suitable to course and need based Test and assignments are regular and useful.

T.Y.B.Sc CS-315,CS-325

Prog. In VB NET and Computer network

RE: Textbooks are available. Test and assignments are regular and useful. Syllabus covers modern advanced topics

T.Y.B.Sc CS-311, CS-322

system program and SQL server

RE: Syllabus is useful for jobs in industry helps to get exposed to relevant subjects.

T.Y.B.Sc CS-314,CS-323

CAG and TCS

RE: Syllabus is useful for jobs in industry helps to get exposed to relevant subjects. Test and assignments are regular and useful

T.Y.B.Sc CS-316,CS-326

Prog. In VB NET and Computer network

RE: Textbooks are available. Test and assignments are regular and useful. Syllabus covers modern advanced topics.

MICROBIOLOGY

T.Y.B.Sc MB-351 MB-361

Microbial genetics and Mol bio

RE: Test and assignments are regular and useful. Syllabus covers modern advanced topics.

T.Y.B.Sc MB-353 MB-363

Microbial metabolism and enzymology

RE: Textbooks are available. Test and assignments are regular and useful. Syllabus covers modern advanced topics.

T.Y.B.Sc MB-355 MB-365

Immunology and Diagnostic immunology

RE: Syllabus is useful for jobs in industry helps to get exposed to relevant subjects. Test and assignments are regular and useful

T.Y.B.Sc MB-312 MB-322

Fermentation tech. and Pharma .microbiology.

RE: Syllabus is useful for jobs in industry.it emphasis on the fundamentals Test and assignments are regular and useful.

T.Y.B.Sc MB-314 MB-324

Medical microbiology/Clinical microbiology

RE: Syllabus is useful for jobs in industry helps to get exposed to relevant subjects. Test and assignments are regular and useful

T.Y.B.Sc MB-316 MB-326

Applied microbiology/Environmental microbiology

RE: Syllabus is suitable and Test and assignments are regular and useful. Syllabus covers modern advanced topics

MATHEMATICS

F.Y.B.Sc MTH-111,MTH-121

Algebra/Ordinary Diff. equation

RE: Textbooks and study material are available. Test and assignments are regular and useful

F.Y.B.Sc MTH-112,MTH-122

Calculus of one variable / Theory of no. of equation

RE: Covers modern topics Test and assignments are regular and useful

F.Y.B.Sc MTH-113,MTH-123

Geometry/ laplas transformation

RE: Good emphasis on fundamentals Covers modern topics Test and assignments are regular and useful

S.Y.B.Sc MTH-231 MTH-241

Algebra/ Diffrential equation

RE: Syllabus is suitable to course and need based

S.Y.B.Sc MTH-231MTH-242

Calculus of several variables / Complex variables

RE: Good emphasis on fundamentals Covers modern topics Test and assignments are regular and useful

ZOOLOGY

F.Y.B.Sc ZOO-111,ZOO-121

Non chordates / Chordates

RE: Test and assignments are regular and useful. Textbooks are available. Syllabus emphasis on fundamentals.

F.Y.B.Sc ZOO-112,ZOO-122

Applied zoology and goatry

RE: Syllabus is helpful in self employment. helpful for the students from rural area having agricultural background.

S.Y.B.Sc ZOO-131,ZOO-141

Medical and applied Zoology

RE: Textbooks are available. Syllabus emphasis on fundamentals. Coverage of modern and advanced topics.

S.Y.B.Sc ZOO-132,ZOO-142

Chordates and Non chordates

RE: Good emphasis on fundamentals Covers modern topics Test and assignments are regular and useful

GEOGRAPHY

F.Y.B.Sc GG-111,GG-121

Physical Geography

RE: Test and assignments are regular and useful. Textbooks are available. Syllabus emphasis on fundamentals.

F.Y.B.Sc GG-112,GG-122

Physical Geography

RE: syllabus is relevant to competitive examinations. Test and assignments are regular and useful. Textbooks are available. Syllabus emphasis on fundamentals.

S.Y.B.Sc GG-231,GG-241

Environmental geography

RE: Helps to create awareness about the environment and cleanliness. Test and assignments are regular and useful

S.Y.B.Sc GG-232,GG-242

Geography of India

RE: Test and assignments are regular and useful Syllabus emphasis on fundamentals.

Overall analysis of teaching

- 1) 60 -80 percentage classes attended.
- 2) 4-6 hrs spent on the course
- 3) U. G. depth of coverage
- 4) Exposure to relevant subjects,better employment opportunity, high standard of test and assignments level. Aim and objectives of syllabus is clear to the students. Use of ICT based teaching and learning. Adequate facilities and ample reference books are available.
- 5) Teachers are with good pace of teaching, clarity of expression and level of preparation is very good. Teachers are easily accessible outside the classroom.
